

Eyes open! Eyes open! Here's how the brand new 1928 Harley-Davidson and "chummy" sidecar look when decorated with a couple of "red hot" enthusiasts. Note how the sidecar body has been lowered and moved forward to get that "come-over-closer" position. Ahhh! And "lamp" the front wheel brake!

There's a 1928 Harley-Davidson Built Especially for You

for you, too, can quit quickly. Can
