May 26th to June 1st 2024

8th International Tour TWEED VALLEY

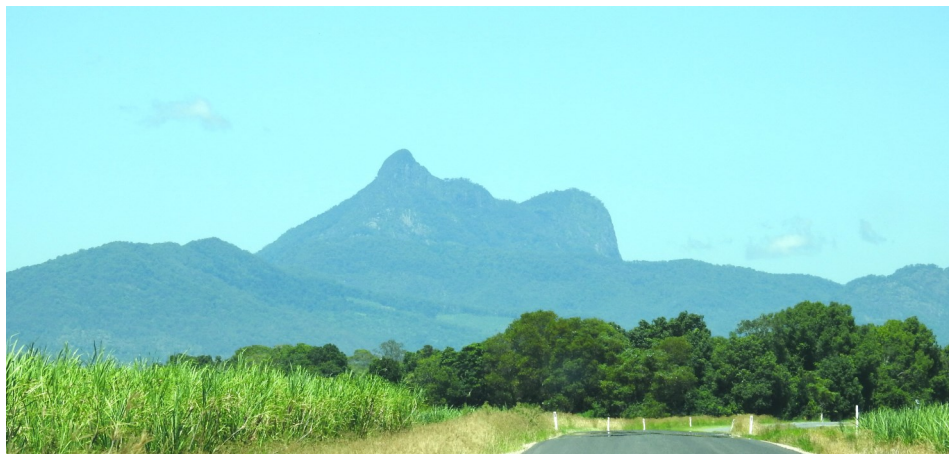

OUR EVENT PLANNING IS WELL ADVANCED

It's now time for you to start *your* planning

The 8th International HCCA Tour is scheduled for May 2024, the end of the Australian Autumn (Fall). The perfect time to be on the east coast of Australia. The event will be hosted by the South East Australian Region of the HCCA.

Have you thought of touring the Tweed Valley? For some it will mean a trip to the northern New South Wales coast. For others, it will mean flying across the Pacific or the Indian oceans. Either way, it will be an adventure not to be missed.

[Mount Warning – the imposing backdrop to our 7 day tour and the inspiration for our rally badge design]

The event is open to pre-1916 vehicles, however anyone is welcome to come along and join in the camaraderie and fun.

For our overseas guests, we have lots of things to do and see. Dangerous crocodiles, sharks, stingrays and jelly fish, poisonous snakes, spiders and even plants that can kill. We also have veteran cars, many with back seats, just waiting for an extra passenger.

Yes, it may be a long way to come, so make it worthwhile. Whether you live overseas or in Australia, get a group together to fly down-under or organise a road trip and arrange activities along the way. You are guaranteed to have some fun.

SECURE ON-LINE ENTRY SYSTEM

Our on-line system will make Tour Entry simple.

You will be able to select your options and use your Credit Card to pay in your local currency.

(Continued from page 1)

The event will commence with registration and a Welcome Function on Sunday, May 26th, 2024 and will conclude with a Rally Dinner on Saturday, June 1st.

Once you are here, look at what you have available locally:

- ◆ History and local culture await at the Tweed Heads Historic Site and the Minjungbal Aboriginal Cultural Centre
- ◆ Tweed Head's unique experiences, including catching mud crabs with Catch a Crab or cruising the Heritage-listed rainforest
- ◆ The glitz and glamour of The Gold Coast - Australia's answer to Las Vegas

For the internationals, (and any interested Aussies), we will be hosting a Pre-Tour Tour taking in the local sights and attractions, designed to familiarise entrants with the area and tease them into staying longer

And further a field:

- ◆ The Great Barrier Reef is on your doorstep - one of the 7 Wonders of the Natural World.
- ◆ Blue water fishing for Black Marlin from Cairns
- ◆ Uluru (Ayres Rock) a World Heritage listed national park
- ◆ River cruises, railway journeys, glass bottom boats

For the record: You won't be attacked by poisonous or deadly predators. [But don't tell anyone.]

You may however, eventually become accustomed to the Aussie sense of humour.
